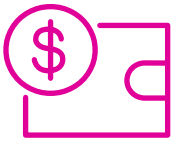
Pimjetmi® (pimicotinib) 25 mg hard capsules

Actor portrayals.

SpringWorks CareConnections® Provides Personalized Support Services and Resources to Help Your Patients Get Started and Stay on Track With PIMJETMI® (pimicotinib)

COVERAGE AND ACCESS SUPPORT

Our dedicated team of Patient Support Specialists provide comprehensive patient access and reimbursement assistance by offering timely information and education on insurance coverage and financial support options

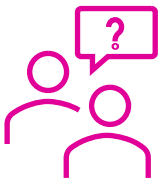


FINANCIAL ASSISTANCE

We offer financial support options for eligible patients*

PERSONALIZED EDUCATIONAL AND OTHER SUPPORT

Our team of Nurse Advocates provide product and treatment support as it relates to your patient's condition and assistance to patients and caregivers throughout their treatment journey†



FIELD ACCESS MANAGER (FAM) SUPPORT

FAMs can provide in-person or virtual support to help facilitate access to PIMJETMI. FAMs can support you with regional payor education, reimbursement and access landscape and its barriers, timely responses to your questions, and coordination with our SpringWorks CareConnections patient support team

To connect and learn more,
please contact SpringWorks CareConnections at
844-CARES-55 (844-227-3755),
Monday – Friday, 8 AM – 8 PM ET,
or visit our website at springworkstxcares.com/pimjetmi/hcp/about

*Terms and conditions apply. Full terms and conditions provided during enrollment process and are available upon request by contacting SpringWorks CareConnections at 844-CARES-55 (844-227-3755).

†The SpringWorks CareConnections Patient Support Program is not intended to take the place of the discussion between the prescriber and the patient. SpringWorks CareConnections cannot provide medical advice.

SpringWorks CareConnections®

Coverage and Access Support

We help navigate insurance coverage, including prior authorization (PA) requirements and appeals processes for PIMJETMI® (pimicotinib)

BENEFITS INVESTIGATION

Patient Support Specialists obtain benefits investigation results promptly to determine patients' coverage and out-of-pocket costs for PIMJETMI

PA AND APPEALS SUPPORT

Patient Support Specialists help navigate the PA process promptly and accurately, and provide information on the appeals process if coverage or a PA is denied

FAM SUPPORT

The FAM team is also available to assist with payor access challenges and requirements

INDEPENDENT PATIENT ASSISTANCE FOUNDATIONS:

Financial assistance may be available through independent foundations that are not controlled by or otherwise affiliated with SpringWorks CareConnections®. These foundations may be able to assist with, for example, copays, premiums, patient education, and social services.

This link is created and customized for SpringWorks Therapeutics ("SpringWorks") by Real Endpoints, LLC ("RealEndpoints"). RealEndpoints is an independent third-party service provider. SpringWorks does not control the operation of RealEndpoints, the foundations included in this link, or any foundation's eligibility criteria, funding decisions, or operations. SpringWorks is providing a link to these foundations to help patients find more information about potential assistance, but inclusion on this list does not represent an endorsement or a recommendation from SpringWorks for any group or organization. SpringWorks cannot guarantee assistance will be provided. Details and eligibility requirements can be found directly on the individual foundation websites.

SpringWorks CareConnections®

Personalized Educational and Other Support

SpringWorks CareConnections® Nurse Advocates serve as a contact for your patients throughout their treatment journey with PIMJETMI® (pimicotinib) and can provide personalized disease state education and treatment support to enrolled patients*

EDUCATIONAL SUPPORT

Our Nurse Advocates provide treatment support as it relates to your patient's diagnosis, including:

- Education on disease state, PIMJETMI treatment expectations, side effects, PIMJETMI-related questions, and SpringWorks CareConnections services
- Education and guidance to help your patients stay on track with PIMJETMI

OTHER SUPPORT

Our Nurse Advocates help your patients stay on track with their treatment by:

- Providing guidance throughout their treatment journey with PIMJETMI
- Connecting them to other services and support that may be available
- Helping plan conversations with their care team

*The SpringWorks CareConnections Patient Support Program is not intended to take the place of the discussion between the prescriber and the patient. SpringWorks CareConnections cannot provide medical advice.

To learn more about how our Nurse Advocates can help, call SpringWorks CareConnections
